

# INTRODUCING BUILDER ADVANTAGE CABINET LINE

*Priced for Value. Engineered for Performance.*

## BUILT FOR PRODUCTION & MULTI-FAMILY BUILDERS

The Builder Advantage Line is our new cabinet program created specifically for production and multi-family projects. Designed to compete in today's market, it features a thoughtfully curated SKU offering, high-quality finishes, and dependable box construction. Available in five new colors, including two painted and three stain options. Engineered for production efficiency, Builder Advantage delivers a highly competitive price point without cutting corners on quality or performance, providing a strong, durable, and professionally finished cabinet.

## STANDARD CABINET FEATURES

1/2" Nominal (12mm) particleboard with light maple laminate interior and designated laminated exterior.

I-Beam Construction Rails are 1/2" Nominal (12mm) particleboard. Rails are hot melt glued into face frame, sides, and cabinet back.

5/8" Solid Drawers feature four sided construction and captive 1/4" Nominal (6.4 mm) matching laminate bottom. Includes Epoxy Coated drawer slides (100 lb Dynamic).

3/4" Nominal (18 mm) Edge Banded Shelves provide both a matching appearance with the interior of the cabinet, and improved water resistance.

6-way adjustable hinges are heavy duty and concealed within the cabinet door and frame.

## UPGRADED CABINET OPTIONS

Undermount Soft Close Drawer Slides (100 lb Dynamic)

1/2" Plywood Box Construction with 3/4" Plywood shelves and 1/4" Plywood drawer Bottom
