# ELITE SINKS

These sinks are constructed from the finest 16 gauge stainless steel. With 15mm radius corners and a soft satin brushed finish, these sinks will be the focal point of your kitchen. Our handmade sinks come in a variety of undermount styles for solid surface & stone countertops. For replacing your sink in an existing countertop, consider a top mount sink such as the EL-30 or EL-35.

# UNDERMOUNT SINKS

Our undermount sinks are produced from durable Type 304 stainless steel and finished with a luxurious soft satin brushed finish for that elegant look. Choose from standard double bowls in equal and large/small configuration, to single bowls and bar/prep sinks. All sinks are designed for undermounting in solid surface, natural stone or engineered stone countertops.

# QUARTZ SINKS

Crafted to uncompromising quality standards, our quartz sinks set the industry standard for quality, durability and performance. Combining high grade quartz crystals with pure acrylic resins produces a sink of incredible strength. Extremely resistant to scratching, chipping, staining, and heat resistant over 530°F, these sinks represent the pinnacle of durability.

**Q Series:** Seamlessly undermounts into solid surface, laminate and stone countertops.

**QA & QAR Series:** Farmhouse apron front models. QA models feature a deeper 9 1/4" apron while the QAR's shorter 6 1/2" deep apron allows for installation into a standard sink base cabinet.

**QU Series:** Undermount sinks for all solid surface, granite and quartz countertops.

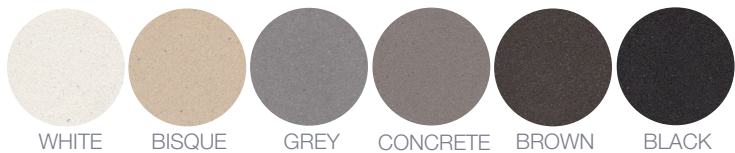

**QT Series:** Top mount sinks for any countertop.
